October 2020
Volume 2, Issue 3

Greetings Fellow Lions, Lionesses and Leos

As this newsletter comes to you, we are still being challenged as Lions, Lionesses and Leos being able to go about our work, service, and fundraising. The last eight months have been a challenge for those of us who are so accustomed to being able to greet one-another, shake hands, and/or share hugs when we are reunited. We can only hope we can return to some type of normalcy soon.

For those of you who are cabinet members, the cabinet meeting scheduled for October 24 **will not be in-person**. It will be a virtual meeting. Please watch for a zoom meeting invite.

For those of you on the Minnesota side of the border, please consider a date for club visits and submit the club visitation request form. For those of you in Manitoba you can submit a visitation request knowing it will have to be a virtual visit.

A decision as to whether or not to go ahead with the mid-winter convention has yet to be made. At present, it appears we may not have the regularly scheduled convention. The international border remains closed with no foreseeable opening soon. Recently Manitoba increased the in-person gathering restrictions to only 10 people instead of 25. Your district governor team does not want to go-ahead with the convention if the Manitoba Lions would be unable to attend. If we decide to cancel the in-person event a virtual meeting will be held.

Even with the restrictions we are faced with, our work as Lions must continue to better our communities and to help those who are less fortunate than ourselves.

As a "team" we will get through these challenging times and be stronger in the end. Keep up the hope, spirit, and service.

Yours in service,

Lion Kevin Reich

5M11 District Governor 2020-2021

LEADER DOGS FOR THE BLIND

LEADER DOG NEWS FOR LIONS – Sept 2020

Summer Experience Goes Bigger...& Virtual!

This year the orientation and mobility (O&M) team took summer camp online for our first ever Virtual Summer Experience Camp!

Forty-three teenagers from 21 states and 2 countries gathered around their tablets, phones and computers for a week filled with fun and bonding. Although we couldn't meet in person this year, the goals remained the same—to provide campers with opportunities to explore mobility options, build leadership skills and connect with their peers. The group met 11 times for activities that included Harness the Power of Leadership, an O&M scavenger hunt, a Q&A with some of our guide dog mobility instructors and a fun trivia night. We also had a private Facebook group where campers could keep the conversation rolling all week long.

Our staff had a great time getting to know our virtual campers and their feedback suggests they also had a blast! With the support of the entire organization and our generous donors, the O&M team was able to quickly adapt our traditional Summer Experience Camp to this virtual format. We are so grateful and proud that we were able to provide an exceptional experience to our youngest clients but missed being together on campus with campers and volunteers. We can't wait to be back together next year!

Above: A grid view of seven campers and 2 camp counselors in a breakout room for the O&M scavenger hunt. Everyone is smiling as campers show items they found around their homes.

Dollars for Dogs – Event-Free Fundraising!

With fundraising events being cancelled across the world, Leader Dog is introducing several non-event fundraisers for Lions to help support our mission.

“This is a great idea anytime...it doesn't matter if you have a small or large club, in the city or small town!” said Lion Beth Slade, director of philanthropy for Lions engagement.

Clubs order packs of “dog tags” (pictured below) to distribute to local businesses. At the check out, employees ask if they would like to make a \$1, \$5, or \$20 donation to Leader Dog. The club and the business get the credit.

It's a great way to connect Lions with their communities and the project they support!

The Barnesville Lions Club inducted one new member. Shown, L to R, Lion Jerry Feigum, sponsor, Jon Ellerbusch, newly inducted member, and 1st VP Lion Scott Nelson. Lion Jon becomes the 35th member of the Club and already is familiar with the Lions motto of, "We Serve." Lion Jon, Superintendent of School District 146, belonged to the very active Royalton Lions Club for a number of years prior to joining the Barnesville Club, and he quickly got into the "service" mode by helping to pick up trash from the 8 miles of ditches the club is responsible for cleaning in the spring and in the fall.

Lion Pat, President of **WSTPaul Lions Club** presented Lion Glenn Rossong with his plaque for "Lion of the Year" for 2019/2020.

Congratulations Lion Glenn. Well deserved!!!

The Barnesville Lions club once again completed their fall ditch clean up. Lions, left to right, are Mike Quiggle, Matt Bailey, Mike Pearson, and Archie Hause. This group cleaned a two mile stretch on both sides of the Highway 9 south of Downer.

This group of Lions ditch cleaning artists, picked up ditches in a two mile stretch on both sides of an area along Hwy 34 east of the Willow Creek Municipal Golf Course. Left to right are the following Lions: Mike Rietz, Ron Johnson, and Terry Schritz.
