## FROM THE DESK OF DG JAN NAZARKO:

**Wow, where has the time gone?**

Soon, my year of being your District Governor will be complete. I have enjoyed meeting all of you and visiting your clubs. Please, if you have not requested a visit from me, please do so.

I do hope that you have done your club elections and have reported your results to Lion Jenifer Speilman, District Administrator for 5M11 and LCI for the year 2026-2027. It is important to get these in as soon as possible.

Please continue to support your Service Projects to LCI as IP Lion AP Singh would like to see what the various clubs have been up to.

Please continue to try and grow your clubs with new members, especially the young generation and women.

This will help your clubs with new ideas and maybe a fresh look at old ones with a new twist. Please do not say that we have done that in the past and it did not work, always be open to a new challenge

and embrace the wisdom of a newer Lion - their idea might just open more doors for you.

Be proud to be a Lion. Wednesday is Lions Day. Please wear something with a Lions symbol on this day and be prepared to answer any questions. Be visible, as this will help our great Service Organization to grow. People will see who we are and what we are doing and want to be a part of it. Be visible in your communities.

Read up on the grants, there may be one that will assist your club. Your District team is available to help, don't be afraid to ask.

Please ask your club members if they are remaining as a member before June 30th, so that you can inform any changes to LCI to avoid being charged for members that will not be returning as of July 1st , 2026.

Again, if you have not booked your District Governor visit, please do so as soon as possible. I would like to visit your club and meet you all.

Thank you.

DG Lion Jan

### A message from VDG Gord Zeglinski

Hello fellow Lions:

The current Lion's year is rapidly coming to an end. I've been busy trying to fill positions in next year's cabinet. At present we are missing a district secretary, GST chair (service), GMT chair (membership) and GLT chair (leadership). While the GxT positions may sound like an overwhelming task, the fact is that in a district as large as ours, we can only expect reasonable efforts. If you have an interest in learning how the organization functions beyond the club level, these positions are a good way to get that experience. Additionally, Zones 1,2 and 4 are missing zone chairs.

This month (April) I had the great pleasure of once again meeting with the 2027 Midwinter planning committee. We brainstormed up what I hope everyone will find to be an

exciting midwinter next year (more details to follow in the coming months).

Unfortunately, I will not be able to attend the multiple convention this year. I am looking forward to seeing new and old faces at DG Jan's last cabinet meeting in May.

### BARNESVILLE LIONS

Lion Tom Sauvageau is shown giving Jen Pickett a check in the amount of \$500.00. Jen organized a fundraiser on April 4 to benefit the Washington, D.C. Honor Flight. In addition to the \$500 contribution, the Barnesville Lions gave a \$100 meat bundle which became part of the various raffles at this event. The Barnesville Club once again exemplified the Lions motto of "We Serve."

The Dilworth Loco Lions hosted their annual Ladies Night Out on October 18, 2025 at the Moorhead Legion. There were around 100 ladies that enjoyed the event.

The Dilworth Loco Lions enjoyed a day of fun mini golfing at Thunder Road in Fargo in August. Joining them was a prospective member who later joined. Pictured from left to right is Diane H, Laura, Grace, Julie, Jean and Stacy.

### Inclusion Drives Leadership and Service

By opening doors to women and young people, Lions strengthen leadership pipelines, expand diversity in membership, and increase capacity to serve. Inclusive clubs generate fresh ideas, sustained engagement and greater impact in communities around the world.

#### Members Added

These members' lives will be forever changed, as yours has since becoming a Lion, and the lives impacted by these members will be countless. (Data is from 7/1/25-2/28/26)

#### New Clubs Formed

Just as your club transforms your community, these groups unite to create lasting change in theirs.

DEAR LIONS:

This past year, we have shared our intention to expand our current facility to nearly double our size. In our [Fall 2025 Tails for You newsletter](#), we detailed some of the plans and even shared renderings of the future space.

About three months ago, we received an incredible, unexpected offer from Bill and Teri Popp, the owners of Popp Communications. They would like to donate the Popp Communications facility and property to us at no cost, believing in the power of our mission.

After careful consideration, several tours (including those for all interested staff members), diligent financial projections, meetings with city officials and other professionals, and multiple Board discussions, **we have decided to change course and move to this new location instead of building at our current site.**

[Popp Communications](#) sits just a few miles south of our New Hope campus, in Golden Valley, on the east frontage road of Highway 169, just north of Highway 55. Although we will have significant construction necessary to make the new property fit our needs, including replicating our state-of-the-art kennels, adding warehouse space, and more, the finished product will more than double our current space without increasing the amount of money we need to raise in our capital campaign (the increased costs for this project will be offset by the sale of our current building). This new location will allow Can Do Canines to grow much further into the future than the plans we had in place at our current facility. We have identified several other benefits, but perhaps the most notable is that we will largely avoid the significant disruption that would occur from trying to work during construction on our current building.

We know this may come as a surprise to many of you. It did for us, too. However, this opportunity is an unbelievably generous and fortuitous one! Our board of directors has unanimously approved the decision, our architect is eager to put his new drawings into action, and our staff is excited about many aspects that the new site will allow (an elevator for dog training, two outside play yards, offices in better proximity to each other, much more training space, and a larger and more functional event room)!

Our exact timeline is still being determined, but we anticipate conducting **business as usual in New Hope through 2027**. Stay tuned for more information about how you can support us in this new adventure. We look forward to sharing new renderings and specific details soon!

If you have any questions, please feel free to contact me at [jjohnson@candocanines.org](mailto:jjohnson@candocanines.org).

Sincerely,

Jeff Johnson  
Executive Director

### **About the Unleashing Independence Capital Campaign**

The need is growing, and so are we. Every day, individuals with disabilities wait for the life-changing support of a highly trained assistance dog. But the wait is too long—and the demand keeps growing. At Can Do Canines, we are committed to providing greater access to our life-transforming programs. That's why we've launched the Unleashing Independence Capital Campaign, a bold effort to raise \$10 million to relocate and expand our campus and increase our capacity to serve.

## The LCIF Roar Report

### WooHoo! Our Special Olympics Commitment is Complete!

We did it, Lions! Thanks to the generosity, creativity, and dedication of Lions across Multiple District 5M, our commitment to Special Olympics has officially been fulfilled. Together we have raised approximately \$340,000 to support the athletes and their families.

These funds will directly support the athlete experience:

- \$250,000 will go toward our sponsorship of the Family Night celebrations, creating two unforgettable evenings for athletes and their families.
- Approximately \$85,000 will fund 'A Ball For All,' ensuring every athlete receives their own ball as a gift during the two Family Night events.

---

### ROAR FOR A CAUSE – What a Night!

Our Roar For A Cause event was a fantastic success!

- 135 Lions and guests attended
- Over \$20,000 raised
- Plus an additional \$5,000 pledge

Most importantly, there was a whole lot of laughter, fellowship, and Lion pride. Thank you to everyone who attended, donated, volunteered, and helped make the event such a success!

---

### LCIF Fundraising Update

Lions across MD5M continue to support Lions Clubs International Foundation

Total Raised So Far: \$630,361.00

Thank you for continuing to ROAR for a cause!

This got me to thinking. We are the second -largest Multiple District in North America with approximately 21,000 members. If every member would complete a recurring donation form for \$10 monthly, that would give us Two million five hundred twenty thousand. Bonus if you live in the US there is a tax deduction. Not sure how this works in Canada. Please consider it. At the Multiple Convention which is coming up we will have forms and District Coordinators to assist you.
